Minute to Win It

Ready, set, go! Campers will get a thrill from working together to complete fun, and sometimes silly, tasks before the time runs out on the clock.

Tinker Around

Campers learn all about simple machines by engaging in hands-on activities to discover their inner workings, then using what they have learned to design and invent their own machines.

Water, Water Everywhere

Campers will make a splash this summer with water-themed games, interactive water tables, sprinkler runs, and so much more. Don't forget your suit!

Shake It Out

Lace up your dancing shoes and let's boogie! Campers show off their inner performer and express themselves through dance, drama, and music!

Storybook Summer

Campers open a world of magical adventures with talking animals, dragons, superheroes, and so much more as they use song, dance, and dramatic play to bring books to life!

Messy Mixtures & Experiments

Grab your gloves and goggles, it's time to experiment! Our campers will discover the scientific secrets to creating their own play dough, "oobleck", 3D sand paintings and more!

Mysteries at the Museum

Campers explore the world of museums, working on problem solving skills with their fellow campers to navigate group projects and peer interactions that encourage positive relationships and critical thinking.
