

PUBLICITY RELEASE

Please complete and return prior to the first day of school.

As The Wood Acres School increases our marketability, we want to secure parental permission for this use. The Wood Acres School deems the security and safety of our students as our most important priority. Therefore, we request parental consent regarding the digital framework in which Wood Acres and other independent schools operate.

I hereby grant permission to The Wood Acres School "School" to photograph and publicly use or display my child's photograph, video image, or audio clip on the School's web pages, or in other official School publications (and on the School's social media pages) without further notice. I acknowledge the School's right to crop, edit, or treat the photograph, video, or audio clip at its discretion.

I also understand that once my student's photograph, video image, or audio clip is published on a website, it can be downloaded by any computer user, on or off campus. Personal information, such as student name, parent names, address and telephone number will never be published. Students will never be identified by name in a photograph, video, or audio clip, but may be identified by grade or program.

Therefore, I agree to indemnify, defend and hold harmless the members of The Wood Acres School, employees, agents, successors and assignees (the "Indemnified Parties") from and against any and all claims and liabilities resulting from this publishing.

Permission is granted for the use requested above.
