

September News

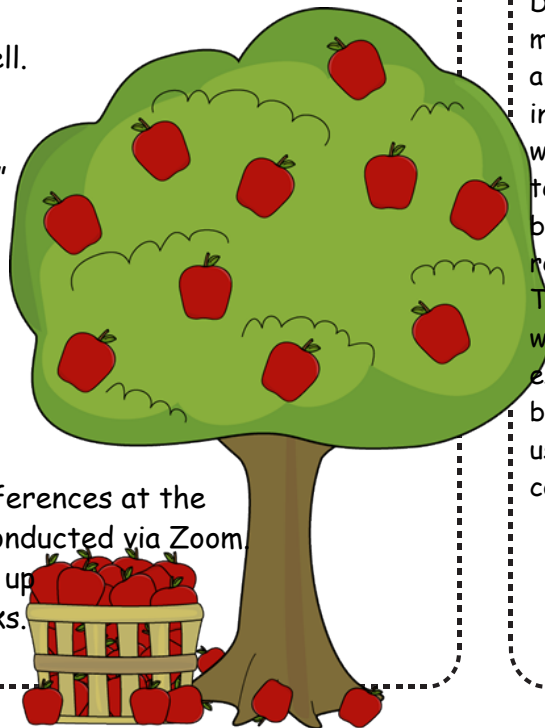

This Month's Learning & Activities

Each month our curriculum will have an overall theme that we focus on, as well as letters, numbers, a shape, and a color that we emphasize. In September our theme is "All About Me" and the letters, numbers, shape, and color are A, B, C, 1, 2, 3, square, and yellow. In circle time, we will continue to talk about the calendar and weather, as well as what makes each child themselves, the letter, numbers, shape, and color. We will do some fun projects such as a self portrait, easel painting, and fall related projects too! Also, when your child is the snack leader this month please allow them to bring in something for show and tell during circle.

Notes, Reminders & Tips

- Let us know if and when your child is going to be out or if they are sick. You can call the office or send me an email.
- When your child is the snack leader we are asking that all snacks be prepackaged for the time being to be safe. This month when it is your child's snack day have them bring something from home for show and tell. We will enjoy this during circle time as we navigate through our "All About Me" theme for the month.
- Please keep us updated on your child's potty training. They are all doing great!
- Our Parent/Teacher Conferences at the end of the month will be conducted via Zoom. There will be times to sign up for this in the coming weeks.

Important Dates

These first three weeks have been so wonderful and all of your children have done a great job transitioning to coming to school! They are all eager to come in the classroom and learn, which is so exciting! Also, kudos to each of you for making carline run smoothly by driving safely and being patient in the morning and afternoon!

We are looking forward to Constitution Day and Parent Teacher Conferences this month. We will celebrate Constitution Day a little different this year with an individual class rally around the flag. We will wrap up the month with virtual parent teacher conferences, so be on the look out for paperwork regarding that in the coming weeks. Thank you all so much for entrusting us with your child's preschool learning experience this year, we are thrilled to be back and have them in our class! Please let us know if you ever have any questions or concerns!

Cheers to September!
Mrs. Fay, Mrs. Biter, and
